Henry Chapman. — Dear Sir  
I saw in Sunday's Inquirer that  
you had a collection of "Colonial  
money." Now I have in my  
possession a thirty dollar Bill  
printed in 1778, reading the  
same as yours, calling for  
Spanish milled gold, etc.  
The Bill was one that my great  
Uncle, (Bryson Clark,) a Brother-in-  
law, of my father's mother,  
gave to me fifty five years  
ago. it is in splendid condition  
I also have a Book entitled  
"Heaven Opened" published in  
1665, in good condition also  
some Johnstown Flood relics  
as that was my home at that time.

I am in need of money and would like to sell the Bill would take Ten dollars for it if I could, sell it at once, would appreciate it if you were interested and would buy, if you need reference as to my honesty, I am a relative of Lawyer Henry Ammerling of Germantown, also of the Meloy's of Media, and a sister of Mrs A. M. Myers of Swarthmore (Cornell Ave)<sup>102</sup>. Hoping you can put me in line for a sale I remain

Very Respectfully  
Mrs. F. A. Shaffer
